Newhaven Outreach Provision

- Staff Profile

My name is: Owen Roberts

My pronouns are: He/him

My job is: Newhaven Outreach mentor

The best part of my job is:

Helping students build their self confidence and self esteem. I really value developing positive relationships with students, taking the time to understand their individual needs interests and strengths. By building trust and understanding what motivates each students, I can support them in setting realistic goals and working towards their next steps both academically and personally

Things I enjoy doing in my free time:

In my spare time, I enjoy being active and involved in my local community. I help run a football project in my local area, which I really enjoy as it gives me the opportunity to support and engage with others through sport. I also like to keep my self healthy by running, attending the gym and taking part in different sports. These activities helps stay's motivated and maintain a positive mind set. I also enjoy reading in my spare time.

I'm passionate about:

I am passionate about helping others identify and develop their strengths . I enjoy being challenged and finding creative interventions to help people overcome barriers and achieve their goals.

I have a strong passion for sports. When I was growing up I had brief spells at Charlton and Wimbledon football club. I enjoy supporting people through any sport to develop their skills, confidence and abilities, regardless of their starting point, whether someone is a complete beginner or already working at an advance level.

I believe everyone has the potential to improve and succeed. I enjoy encouraging others and helping them recognise what they are capable of achieving.
