

Pearson Edexcel Level 1/Level 2 GCSE (9 - 1) in Statistics (1ST0) (F)
Teacher Assessed Grade Guidance for Parents

In order to ensure that students are fairly assessed and given opportunities to demonstrate their knowledge and understanding of the Maths qualification the following will be used to determine a student's TAG (Teacher assessed Grade)

Type Of Assessment	Topic and Assessment Objectives that will be assessed.	Date Assessment has or will take place
Assessment 1: (Complete Paper 1 and Paper 2)	1. Data Collection 2. Processing, Representing and Analysing Data 3. Probability	This was completed earlier in the term
Assessment 2: Classwork performance based on exam questions		Classwork done between Dec 2020 - May 2021
Assessment 3: Final Exam - Paper 1		26 May 2021
Assessment 4: Final Exam - Paper 2		27 May 2021

AO1: Demonstrate knowledge and understanding, using appropriate terminology and notation, of standard statistical techniques used to:

- collect and represent information
- calculate summary statistics and probabilities. **55%**

AO2 Interpret statistical information and results in context and reason statistically to draw conclusions. **25%**

AO3 Assess the appropriateness of statistical methodologies and the conclusions drawn through the application of the statistical enquiry cycle. **20%**

Total 100%
