

Newhaven Outreach 2024 Newsletter

WELCOME
TO THE 2024
NEWHAVEN
OUTREACH
NEWSLETTER

We are extremely proud
of everything Outreach
students have achieved
this year.

Academic successes...

Academically students have excelled this year.

Outreach students have:

- taken GCSEs in English Language, English Literature, Maths, Further Maths, Music, Physics, Chemistry, Biology and Russian
- obtained 2 Entry Level 2 English qualifications, 2 Entry level 2 Maths qualifications, 2 Entry Level 3 English qualifications and 2 Entry level 3 Maths qualifications
- One Outreach student completed a 2 year course in only one year and impressively obtained a Level 2 Diploma in Applied Science
- A number of students are currently receiving specialised teaching in Photography, Coding and Digital media/graphics

Vocational successes...

We also have some very talented and practically capable Outreach students

- One student obtained numerous distinctions in their Multi-trades course, gaining them a level 1 City and Guilds from Flower Skills and an offer to study at the construction college full time next academic year
- Two students attended ADO where they groomed, fed and looked after animals
- Two students engaged with MindJam, an online mentoring service that engages young people through online gaming
- One student successfully completed a work experience placement as a Plumbers assistant one day a week
- One student built his own computer from scratch
- One student has further developed their own very successful gardening enterprise
- One student has become an astute photographer and enjoys venturing into central London to take stunning photographs

Independent Living Skills...

Over the course of the year 90% of Outreach students engaged with our Independent Living Skills curriculum, predominantly using the Wheel of Independence platform.

Students have:

- Learnt travel training skills
- Developed their functional communication skills
- Increased their social communication skills
- Embedded budgeting and money management skills
- Taken themselves, staff, parents, guardians, siblings and friends shopping to practice their newly acquired skills

- Enhanced their food prep and cooking skills
- Developed stress management strategies
- Completed the .b Mindfulness course
- Improved their self-advocacy skills
- Practiced their executive functioning skills
- Worked hard to forge relationships with members of their community
- Enhanced their time management, self-care and housekeeping skills

TRIPS...

Outreach students have attended some fantastic trips this year - from walking to the local shops to visiting a cat cafe, we've done it all!

Other trips include:

A variety of pet shops
Bowling

More cafes than we can count

Greenwich Royal Observatory

Capel Manor

Woolwich market

Oxleas Woods

Ruxley Garden Centre

Aquatic Centres

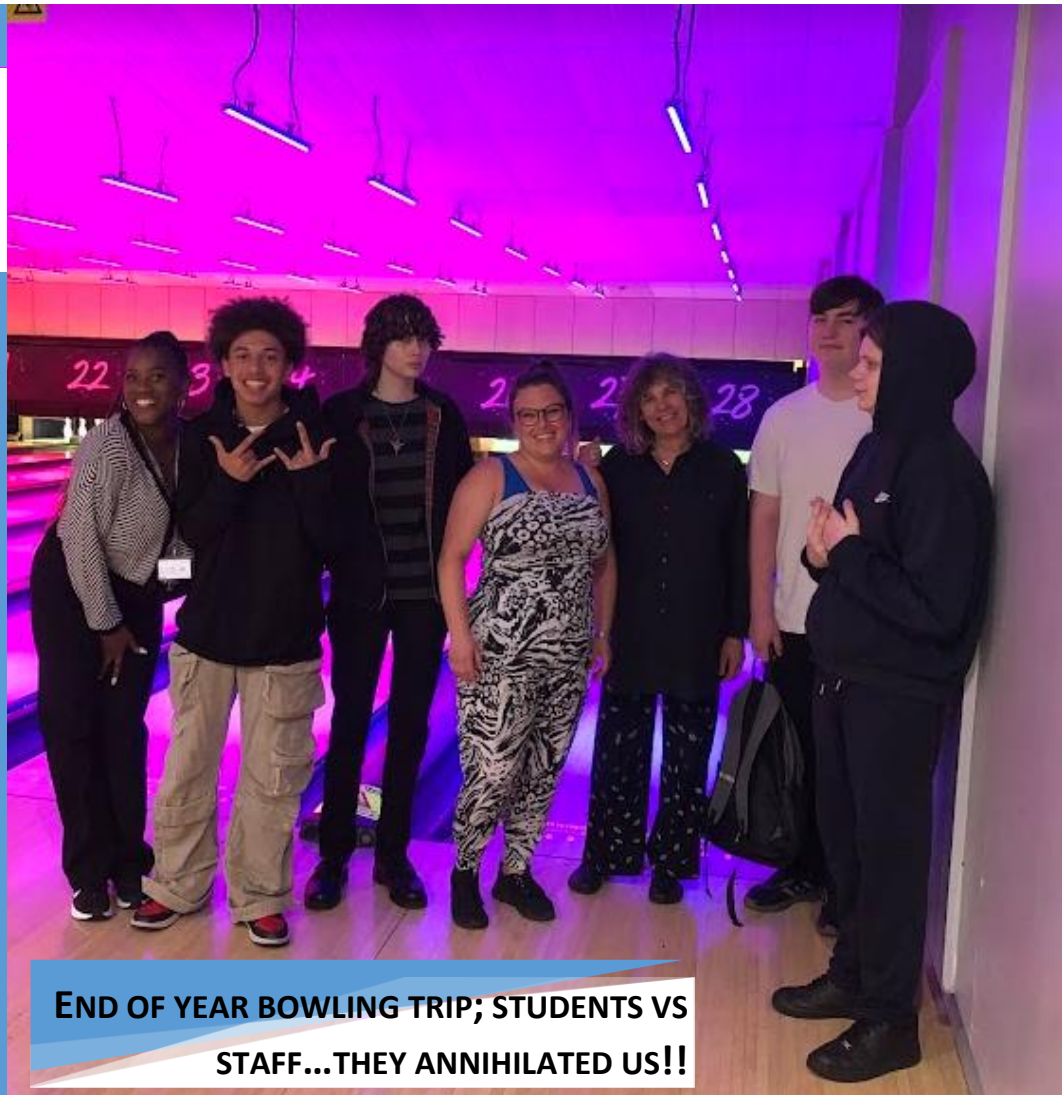

Charlton House and Gardens

Far too many trips to McDonalds!

Newhaven sports day at Sutcliff Park

Charity shops

Dog walks

END OF YEAR BOWLING TRIP; STUDENTS VS STAFF...THEY ANNIHILATED US!!

STUDENTS VISITING A CAT CAFÉ SUPPORTING RESCUE CATS

Excitingly two of our cohort have already transitioned from Outreach - one into NEST and one is awaiting placement at a specialist alternative provision.

Eight more students will be leaving us at the end of this academic year; two students are moving onto Flower Skills to study multi-trades on a full time course. One student will be working with a mentor to further plan their path going forwards. Two students have been offered a place at Capel Manor, one student has applied to LSEC to study information and creative technology and one student was accepted to Townley, a prestigious Grammar school.

We are extremely proud of all they have achieved whilst being supported by Newhaven. For those of you who are leaving us - we wish you the best of luck in your future.

Not much makes us happier than when we hear from old students, so feel free to email Dom updates on occasion to be shared with the team.

NEWHAVEN SPORTS DAY AT SUTCLIFF PARK

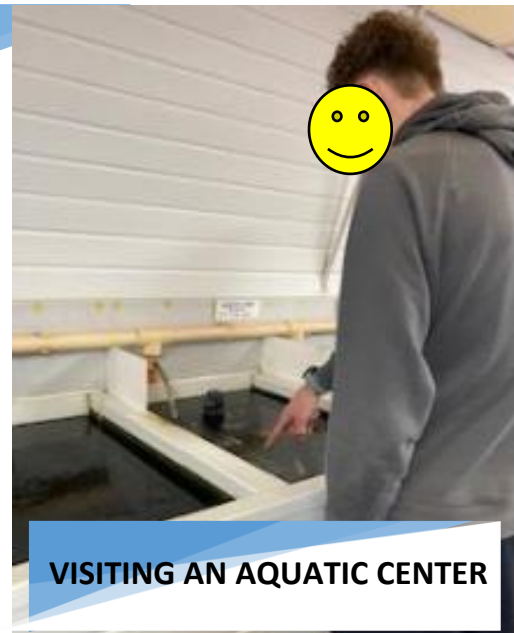

HOLDING GUINEAPIGS AT A LOCAL PET SHOP

The summer...

All Outreach students have been sent the Newhaven Summer challenge, where they are challenged to complete as many of the 40 tasks that they can over their six week holiday.

For students returning in September, don't forget to complete and return the form, as points mean prizes!

The Newhaven Outreach team wishes you all a wonderful summer holiday.

VISITING AN AQUATIC CENTER

FALLING IN LOVE WITH HILARY!

Exiting news...

We are delighted that Greenwich Inclusion have decided to increase the number of places they commission with Newhaven Outreach. As a result of this, three new Outreach students will be welcomed by the provision at the beginning of September. We will then be joined by a further 14 students once panels take place and students are placed with us in the new academic year, taking us to a record total of 25 students.

The Newhaven Outreach team looks forward to getting to know all of the new students and their families/guardians.

Thank you!

A great big thank you all the parents, carers and guardians for being so supportive of Newhaven Outreach. Your unwavering understanding, kindness and support has made this year the success it has been. We are privileged to have been able to work with all of the students and their families/supporters this year.
